## PROFESSIONAL SUMMARY

My name is Parin Shah.

I used to participate in National and International Olympiads. I have won bronze, silver and gold medals in IMO, NSO, IEO multiple times.

I am proficient in languages like React and JavaScript.

I am seeking an internship opportunity.

## EDUCATION

**Completed**

**Diploma in Computer Engineering**

- Parul University, Vadodara, Gujarat

## SKILLS

HTML5

NodeJS

React

MySQL

Microsoft Excel

JavaScript

## PROJECTS

I have created multiple projects using React, JavaScript and CSS on Microsoft Visual Studio.

1. A Tic Tac Toe website that shows move history. You can also navigate to previous moves and change them.
2. A Box Office web-app that shows information about movies and actors you search for.
3. A Chat web-app that you can connect with Google and Facebook, send and receive images, files. You can also record and send audio messages. It also has a real-time notification feature that you can turn on & off.
